SISTERS' PICK

After seeing Greg Iles speak recently, we are even more excited about his new book. We enjoyed his Natchez trilogy, and his new book is still set in Mississippi, but in the small town of Bienville. The hero, although a slightly flawed hero, is Marshall McEwan, a journalist who has returned home to help his parents. He becomes embroiled in the life of the town and with a woman he had loved for many years who is married to an old friend. Several murders and betrayals occur before secrets are revealed and McEwan realizes this is his real home (Wm. Morrow, \$28.99).

Shelby County Writers Group

The group meets regularly on the last Monday night of the month at 7 p.m. in the Carnegie wing at the library. Our next meeting will be on Monday, April 29. All writers are welcome, young and old, experienced and not-so-experienced. Contact Carolyn here at the store for information.
